

The “3H-grant” 2007 Project Work Report of the Kamchatka branch-office of the “Health Fairs Center”

In December, 2006, the Kamchatka branch-office of the “Health Fairs Center” obtained 67 000 rubles from “Vladivostok-center” Rotary club in the frames of the “3H-grant” project.

According to the agreement with “Vladivostok-center” Rotary club, this financial donation was used for work maintenance of the Kamchatka branch-office and for the Health Fair conduction in Yelizovo in March, 2007.

In particular, a notebook computer has been purchased for the conduction of presentations of the “Health Fair” project on Kamchatka, and a mobile information stand – for the branch-office workshops. A color A3-format printer was purchased for the production of posters and advertisements, also cartridges for the copying equipment and paper for the production of information materials for the Yelizovo Health Fair. “Health Fair” booklets were produced for the branch-office. The cost of annual internet access maintenance was covered at the local provider’s office.

On March 17, 2007, a regular Health Fair was conducted in Yelizovo for the local population. Yelizovo Rotary club was in charge of this event. Steve Yoshida from “Homer Kachemak Bay” Rotary club (U.S.A.) was among its visitors. The report on the Health Fair supplemented by photos and copy of the “Panorama” newspaper article was sent over to the Russian “Health Fairs Center” in April of 2007.

Currently, a mobile Health Fair planned for November, 2007, in the Nickolaevka settlement of the Yelizovo region, is being prepared at the branch-office. Yelizovo Rotary club is also in charge of it.

On September 30, 2007, Rotary district 5010 governor 2007/08 Maynard Gross visited the Kamchatka branch-office. He positively estimated the work of the branch-office during the previous years and familiarized himself with the center’s plans for the year 2008.

Next year the branch-office plans to conduct two Health Fairs in co-operation with “Yelizovo” Rotary club and a joint Health Fair with “Esso” and “Yelizovo” Rotary clubs.

19 September 2007 Leader of the Kamchatka branch-office
of the “Health Fairs Center” _____ Nadezhda Kulkina.
